Product Description

This beautiful and one-of-a-kind segmented pen is made with portions of acrylic and complemented with Gaboon ebony wood separated by a band of white acrylic. The grey acrylic has fantastic cream-colored swirl patterns which really pop when paired next to the jet-black ebony wood segments. This is a Continental style pen in chrome which has a simple yet elegant look and nice weight in the hand. The

Parker style ink cartridge extends with a dual twist mechanism. The length of the pen is approximately 5.50 inches.

The finish was wet-sanded with progressively finer grits and then polished to a high luster that will last for years.

You will receive a free velvet drawstring pen pouch along with your purchase plus a Certificate of Authenticity. Most orders are shipped within 24 hours after purchase. Thank you for visiting!
