Product Description

This is a unique segmented pen that really shows off my craftsmanship. It is made from maple burl wood and ebony wood.

This is a Continental style pen with 24kt gold which has a simple yet elegant look and nice weight in the hand. The Parker style ink cartridge extends with a dual twist mechanism. The length of the pen is approximately 5.50 inches.

This pen went through 16 sanding applications and was finished with cyanoacrylate

(CA) that gives it a deep, mirror-like finish that holds up to scratches and will last for years.

The pen in this image is the one you will receive. You will also receive a free protective velvet pen sleeve to present as a gift or to protect your pen plus a Certificate of Authenticity and instructions for caring for your pen. Most orders are shipped within 24 hours after purchase.
