Product Description

This beautiful and unique pen was made with burl wood bits and infused with silver and black acrylic. The pen is a Triton style pen with has beautiful sculpted patterns on the cap and center band. The writer has the ability to post" the cap onto the pen body for writing and storage convenience. The rollerball assembly includes a rhodium-plated pen nib with a black premium Schmidt steel cartridge refill with a ceramic point (included in the purchase of your pen) and refills refills for these universal cartridges can be found at any office supply store. If you choose a fountain pen it will come with a gold iridium nib.

This pen went through 16 sanding applications and was finished with cyanoacrylate (CA) that gives it a deep, mirror-like finish that holds up to scratches and will last for years

The pen measures 5.0 inches in length when closed and 6.25 inches with the cap posted.
