Product Description

The Electra pen is available in rollerball or fountain pen. Enjoy a touch of class with its one-of-a-kind pen clip that has unique diamond-cut facets on the accents of the clip. The material turned is a hybrid of blue acrylic with bits of green ribbon that make it really pop. Included is a premium Schmidt ceramic refill with the rollerball and an iridium nib when you choose the fountain pen.

The length of the pen is 4.625" closed and 6.00" when the cap is posted.

This pen went through 16 sanding applications and was finished with cyanoacrylate (CA) that gives it a deep, mirror-like finish that holds up to scratches and will last for years.

The pen in this image is the one you will receive. You will also receive a free protective velvet pen sleeve to present as a gift or to protect your pen plus a Certificate of Authenticity and instructions for caring for your pen. Most orders are shipped within 24 hours after purchase.
