Product Description

(This pen can also be converted and sold as a fountain pen).

This Orion style rollerball pen is made with acrylic and colored in turquoise highlighted with black veins. This Orion style pen features a screw-on cap with chrome hardware. A raised black circular inlay is included in the cap and an octagonal inlay is included in the lower base. The pen is not "postable" i.e. the cap can not be held in place on the back end of the pen. This pen was wet-sanded with progressively finer grits and then polished and buffed to a high lustre.

Uses premium grade Schmidt® ink with a ceramic tip for the ultimate writing experience. Refills can easily be found in office supply stores.

Impress your friends with this eye-catching pen! Or, give as a gift to someone

special of for a special occasion such as birthdays, graduations, Fathers/Mothers Day, or for employee recognition events.

The length of the pen is approximately 5.0 inches.
