Product Description

Note: I will be on vacation from Dec 21 to January 5. Any orders processed during this time will be shipped on Jan 6, 2014. However, to make up for this I am offering 15% off all my pens during this period. Use coupon code XMAS2013 at checkout. Thank you!

This is a unique pen made from wood burl and "Cancun" blue/purple colors in acrylic. Both materials are fused together and make a beautiful combination when paired with the gold and chrome pen fittings. The pen is a Triton style in gold with a chrome sculpted band and cap. It is slightly heavier and longer (5.625 inches) than most other pens but feels good in the hand. The cap has a round top and can be screwed on the back of the pen when writing.

The finish was wet-sanded with progressively finer grits and then polished to a high luster that will last for years.

Impress your friends with this eye-catching pen! Or, give one as a gift to someone special or for a special occasion such as birthdays, graduations, Fathers/Mothers Day, or for employee recognition events.

The pen you see in the image is the one you will receive. You will also receive a FREE leather pen pouch to protect your pen or to present as a gift.
