Product Description

This ballpoint pen is made with wood burl bits that have been infused with gold and green acrylic. The swirls and intricate colors are beautiful. This is an ultra cigar pen style with a gold clip and nib plus chrome faceted bands. The Parker style ink cartridge extends with a dual twist mechanism.

The finish was wet-sanded with progressively finer grits and then polished to a high luster that will last for years.

The length of the pen is approximately 5.625 inches.
