## Product Description

This ballpoint pen is made with wood burl bits that have been infused with gold and red acrylic. The intricate colors are beautiful. This is a cigar pen style with a gold clip and nib. The Parker style ink cartridge extends with a dual twist mechanism.

The finish was wet-sanded with progressively finer grits and then polished to a high luster that will last for years.

The length of the pen is approximately 5.625 inches.

What you get with your purchase:
