## Product Description

This is a unique pen made from wormy spalted maple wood and red acrylic. Both materials are fused together and make a beautiful combination when paired with the chrome pen fittings and center band with an interlocking rope pattern. The pen is a Sedona style pen with a rounded dome on the cap and an elegant tapered clip. The cap can be screwed on the back of the pen when writing.

The finish was wet-sanded with progressively finer grits and then polished to a high luster that will last for years.

Impress your friends with this eye-catching pen! Or, give one as a gift to someone special or for a special occasion such as birthdays, graduations, Fathers/Mothers Day, or for employee recognition events.
