## Product Description

This acrylic rollerball or fountain pen has a “molten metal” color of material that delivers incredible colors, swirls, and depth.

This is a Virage style Pen that is available in either rollerball or fountain pen. The styling of this pen sets it apart from other pens with a soft feel and beautiful appearance. It features a unique roller clip that matches the shape of the pen components. The fountain pen boasts a gold plated German made nib, while the rollerball version includes a Schmidt ceramic cartridge that ensures smooth writing. This pen is postable, meaning the writer has the ability to screw the the cap onto the pen body for writing and storage convenience

This pen went through numerous wet sanding applications and was polished to a deep luster.

The pen measures 5.125 inches in length when closed and 6.25 inches with the cap posted. The pen you see in the image is the one you will receive. You will also receive a free velvet pen sleeve to protect your pen or to present as a gift. Or consider adding one of my presentation boxes to your order to make it even more special.

The pen in this image is the one you will receive.
