## Product Description

The black and white swirls in this acrylic pen really pop and match beautifully with the satin finish of the pen hardware. The blank used for this pen was turned on my lathe and was wet sanded and polished to a smooth and lustrous finish which will last for years

The pen measures 5.25 inches in length and comes with black Parker ink and refills can easily be found at office supply stores.

Impress your friends with this eye-catching pen! Or, give one as a gift to someone special or for a special occasion such as birthdays, graduations, Fathers/Mothers Day, or for employee recognition events.
